# CRUS Report 2010

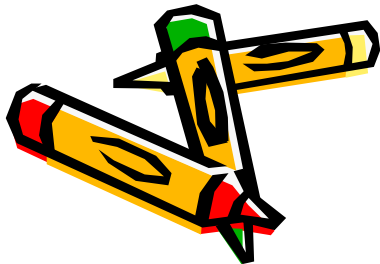

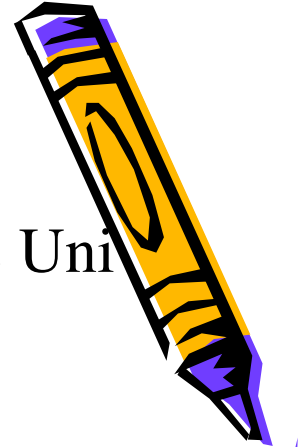

Educational Technology WG,  
Montreux, January 28<sup>th</sup> 2010

## **CRUS Report 2010**

- a report written and adopted by the **RECTORS** of Swiss Universities
- for the second half 2010
- state of eLearning: answer a request of the SUC  
(context of the SVC-evaluation)

## **Objectives of the report**

- To answer the request of the SUC - and show the state of eLearning at Swiss Universities
- To point out a change of paradigm / evolution since the end of the SVC

## Topics

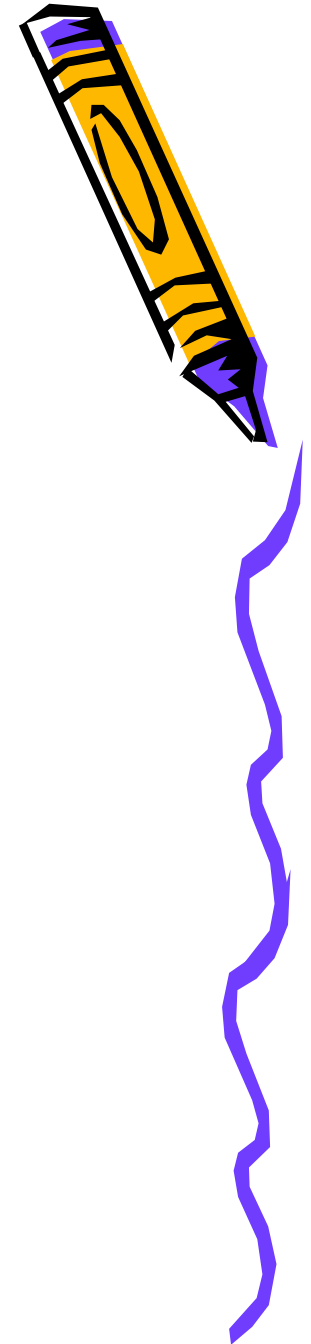

The evolution / the changes since the end of the SVC -  
presentation of the new situation

At 2 levels:

1/ the level of the structures: change in the role of the  
CCSP

⇒ description of their new function

2/ the impact on the content: eLearning and new  
developments (LOR, platforms...)

## Actors

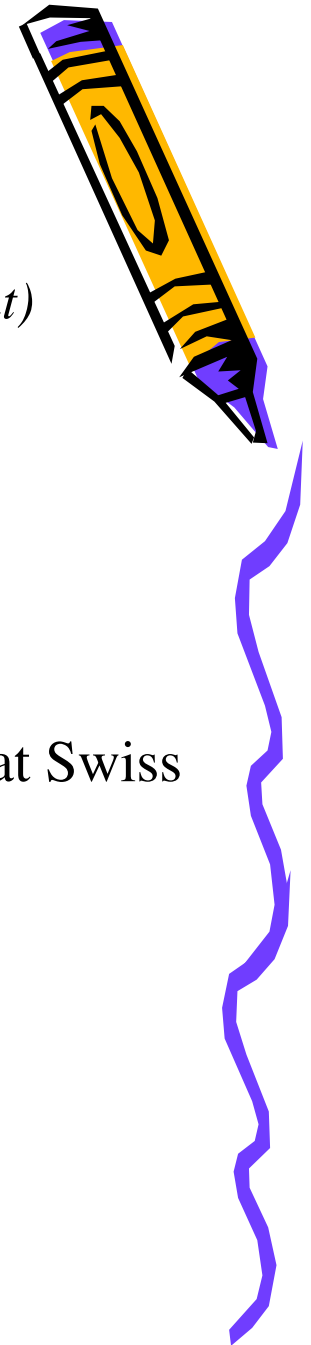

- Delegate for eLearning - Rector Fischer (*Management*)
- GS CRUS (*Collection of information & redaction*)
- Patrick Jerman & Markus Schaad (*Consulting*)
- **Eduhub** (*Input*)

Without **OUR INPUT**, your knowledget of the situation at Swiss universities, no report possible!

Inputs will be collected through

⇒ Eduhub Days 2010

⇒ and...

## **Needed inputs from the Community**

### 1/List of documents (reports, statistics,...)

⇒ could give information concerning the state of eLearning at your own university

⇒ please send them to [aude.pacton@crus.ch](mailto:aude.pacton@crus.ch)

⇒ consolidation - ev. With the help of Matthias Rohs, UZH

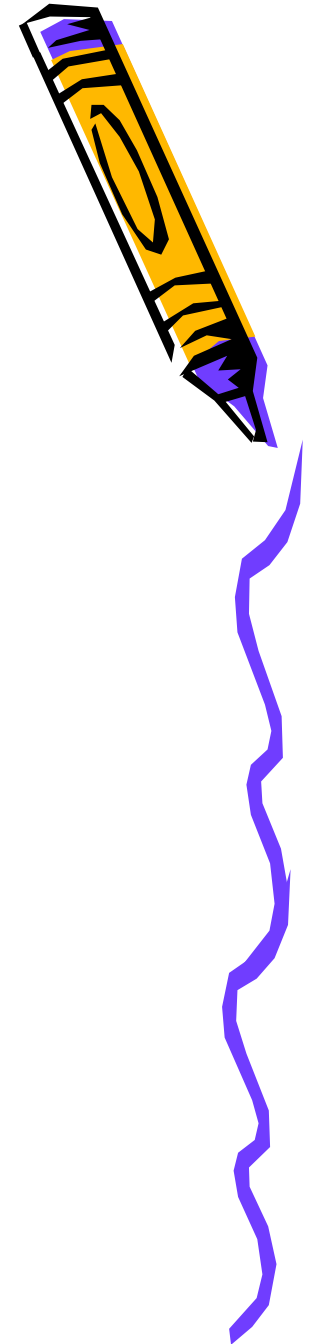

### 2/ Ev. a formular or a visit or a phone call

to complete the aspects which won't be covered by the documents send

⇒ Important to ask the right questions / Aware of the necessity to limit the work of the CCSPs

### 3/ Special request for SIG

In order to illustrate the very new developments of eLearning, readiness to write an small article

## Time management

- February: collect the information from the CCSP
- March-April: consolidation of the data & preparation of the formular or visit or phone call
- May-June: visit
- July-August: redaction
- September: Plenum of the CRUS
