eduhub and SWITCH

- We see the eduhub as a unique opportunity to interact with our community with regard to e-Learning
- So we expanded our offering by taking eduhub on the road in 2014 and will continue to do individual “eduhub visits” to your organizations in 2015.
- And finally: In order to create sustainable services for our universities we need your guidance and inputs.
- Please contact us if we can support you!
