

Barcamp eduhub days – What tools do you use for animations?

This list is the result of a brainstorming at a barcamp session at the eduhub days 2020.
The list does not claim to be complete.
The tools listed could also been categorized differently.

Notes are taken by Reto Schürch, careum, reto.schuerch@careum.ch
Please send an email, if you wish to receive this note as an Evernote document.

Platform for hiring independant animators (also for design, photography)
fiverr: <https://www.fiverr.com/>

Software

- Adobe Premiere: Editing, cutting, animation (pro-level): https://www.adobe.com/ch_de/products/premiere.html
