
LOOKING FOR A GREAT OPPORTUNITY? BE A STUDENT PANELIST !

@ THE  **eduhub.ch** DAYS 2016

YOU: a **STUDENT** currently enrolled (or just graduated) from a Swiss Higher Education Institution (University, University of Applied Sciences, Polytechnic), able to speak in English in face of an audience (120 people).

EDUHUB is the **SWISS E-LEARNING COMMUNITY** for new learning technologies at Swiss Higher Education Institutions. **:WE**
The aim of eduhub is to implement sustainable IT-based methods in academic teaching, to exchange experiences and to promote collaboration. Currently, the community numbers around 800 active members.

WE OFFER:

- ✓ **PARTICIPATION** to a unique national conference
- ✓ **DISCOVERY** of new technologies
- ✓ possibility to **NETWORK** with the members of the eduhub community (interesting if you're looking for new **PROFESSIONAL OPPORTUNITIES!**)
- ✓ possibility to **MEET OTHER STUDENTS** from all over the country
- ✓ **MEALS & TRAIN FEES** (+ **HOTEL** if you come from another town)

The eduhub days are the **NATIONAL MEETING** of the Swiss E-Learning Community eduhub of universities and institutions of higher education in Switzerland. The aim is to exchange experiences about new learning technologies and to collaborate on e-learning projects. Here you will have the opportunity to discuss your visions, opinions and ideas with your colleagues from other institutions. **:WHAT**

YOUR TASKS: Guided by a mentor from our community, you **PARTICIPATE TO THE CONFERENCE** by listening to the presentations, discovering new tools and having inspiring conversations. During a 45' panel, you and the other student panelists **SHARE YOUR VIEWS** on education, technology, e-learning and tell us if and how they affect your everyday student life.

WHEN / WHERE: **27 & 28 JANUARY 2016**,
at the **UNIVERSITY OF FRIBOURG**.
